

The Wedgefield News

The Wedgefield Newsletter is a monthly publication produced by the Wedgefield Home Owners Association and sent out to all local residents living within the community. The newsletter has information regarding issues proposed or happening within our community.

Every month the President of the Wedgefield Home Owners Association scribes a letter regarding the topic of the month concerning Wedgefield.

Ranger Drainage, The Garden Club, Codes & Covenants, Architectural Review Committee, and Firewise have monthly updates to keep you informed on items of interest.

Our newest, The Commission on the Future of Wedgefield, will have a monthly update on what is in our future as a growing community.

You will find information about planned activities for the coming month along with scheduled events.

Should you want to join the Garden Club or find out what's happening at Wedgefield Golf Club, you can find it all right here.

Information on where to have your dog groomed, get a mortgage, buy a house or purchase lightning protection all right in your own neighborhood thanks to local retailers who advertise their businesses in *The Wedgefield News*.

Advertising is our main source of revenue to offset the expense of producing this monthly newsletter.

Membership Application

Dear Resident of Wedgefield:

We keep hearing "The American Neighborhood is a thing of the past ...". Not true in Wedgefield!!

We have a diverse community that has proven to be filled with "good neighbors". And ... the best way to know your neighbors is by becoming involved in your community through the Wedgefield Homeowners Association (WHOA).

Through active participation the members of WHOA can help to ensure that the neighborhood maintains the quality that is desired by all and that property values continue to rise.

Additionally, the annual and new WHOA-sponsored social events have proven to be wonderful forums for keeping neighbors "in touch".

I encourage you to be a part of YOUR American Neighborhood in 2003! You'll be glad that you did and we will be grateful for your support!!

Sincerely,

Tom Minter
President,
Wedgefield Homeowners Association
